Sharing ABWA with new generations...

... by focusing ABWA workshops, mentoring circles, formations and special events on women who are ABWA's future

Sharing the ABWA spirit and history with current and future members...

... by enhancing the climate that strengthens the passion and enthusiasm of ABWA to become contagious

Partnering with the membership and ABWA National to enhance technology and networks...

... to build a comprehensive networking tool adding value and promoting personal and professional growth for all members

Motivating members to revitalize and grow their chapters/ express networks

... by teaming with local groups to facilitate change and embrace the ABWA mission

It's time to tell the world about **ABWA**[®]
